

Unit 6

WORKSHEET 6D

Personal Favorites Database Table

Directions: Ask four classmates for the following information: last name, favorite color, favorite animal, favorite food, and favorite movie. Create an Access table and enter the information. Include five records for Last Name, Favorite Color, Favorite Animal, Favorite Food, and Favorite Movie. Practice sorting the information by various criteria and, if your teacher allows, print your completed database as a report. Be sure to write your name on your report.
