Create a Theme Park Database

Directions: After you have finished your project, determine whether you have completed the criteria listed in the left column. Fill in the checklist in the shaded columns below and then turn the rubric in to your teacher along with your project.

Criteria	Student Checklist		Teacher Evaluation
	Completed	Not Completed	Comments
Work with a team to compile information about theme parks across the U.S.			
Enter the information you and your teammates have gathered, into an Access database			
Save the database as <i>Your Name</i> Theme Park Database			
Add the fields and enter the data for each record			
Use correct spelling, punctuation, and grammar			
Edit your database to make sure it is clear and free of any errors
