2 Independent Practice (page 249)

Create a Space Creature

Directions: After you have finished your project, determine whether you have completed the criteria listed in the left column. Fill in the checklist in the shaded columns below and then turn the rubric in to your teacher along with your project.

	Student Checklist		**Teacher Evaluation**
Criteria	**Completed**	**Not Completed**	**Comments**
Research what characteristics are needed to survive on another planet.			
Sketch an alien by hand. Note what effects may be needed to create your alien.			
Remove the background of a photo of yourself or another person.			
Create a new background layer showing the alien's natural habitat.			
Use Enhance>Hue and Saturation to change skin and/or hair color.			
Use Filter>Liquefy to change the facial characteristics.			
Use the Clone tool to add or remove features.			
Present your project. Explain why you chose specific features for your alien.			
Follow directions to save and print your work.
