WebQuest Capítulo 1 ¿Cómo somos?

Imagine that you have been corresponding with a key pal from Central America. Your key pal has decided that she or he would like to come to the United States to study and wants to know which regions of the country have the largest concentrations of Spanish speakers. Look at the map below and shade the sections of the country that you would point out to your friend.

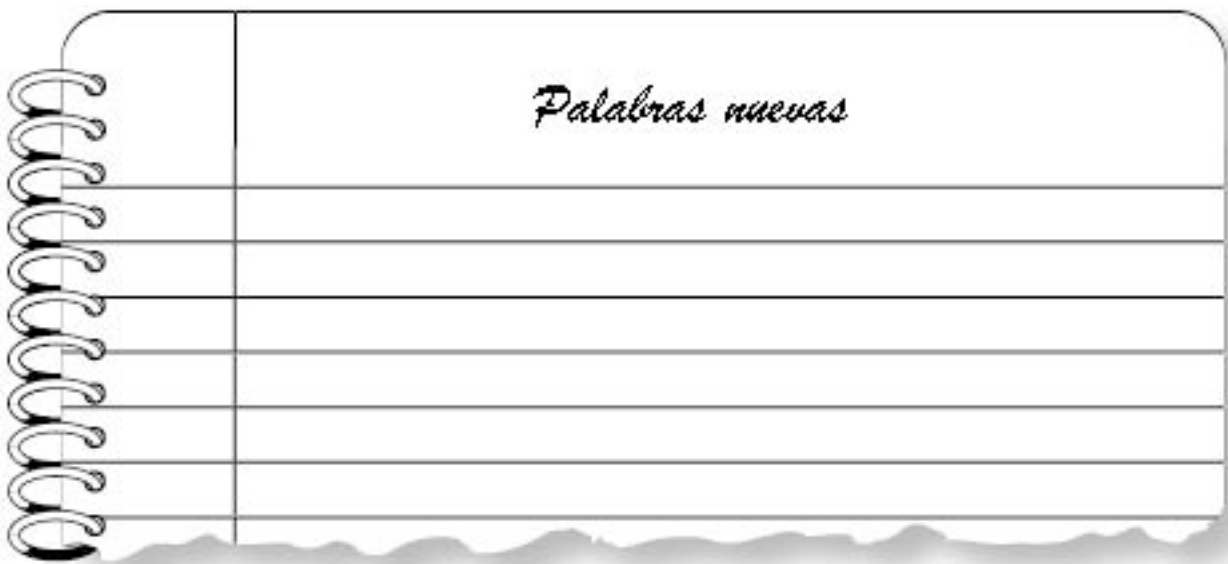

Use the Internet to answer the following questions.

1. Does the online map match the map you shaded above? Is there anything that surprises you about the distribution of the Hispanic population in the United States?

2. Which state(s) would you recommend to your key pal? Why?

3. What date was the online map created? Do you think the Hispanic population in the United States has grown since then? Why?

Make a list of the new words you have learned.
