## Building Self-Reliance

**Directions:** People who are successful at living on their own have many responsibilities. In the chart below, list five general categories of responsibilities. Then explain how you will fulfill these responsibilities when you are living on your own.

| RESPONSIBILITIES OF LIVING ON YOUR OWN |                         |  |
|--|-------------------------|--|
| General Responsibility                 | Steps Toward Fulfilling |  |
|  |                         |  |
|  |                         |  |
|  |                         |  |
|  |                         |  |
|  |                         |  |
|  |                         |  |
|  |                         |  |
|  |                         |  |
|  |                         |  |
|  |                         |  |
|  |                         |  |
|  |                         |  |
|  |                         |  |
|  |                         |  |
|  |                         |  |
