## The Mouth-Watering Smell of Baking Bread

Directions: On the lines provided, describe the steps taken by each of the students in the situations below.

1. Jenny is going to make blueberry pancakes at her youth group's overnight retreat. She has a bag of flour, a box of baking soda, salt, $1 / 2$ gallon of milk, a dozen eggs, a package of frozen blueberries, and cooking oil. List at least four steps that she will take to turn these ingredients into pancakes for her group. (Note: Blueberries are the last ingredient to be added.)
