Strategies for Fashion

Directions: Read each statement below carefully. Circle the number in front of each false statement. On separate paper, explain why each false statement is incorrect. Then follow the directions in *Going on Vacation*.

1. Fashion is one influence on clothing choices.
2. Illusion can help you draw attention to your best features.
3. Of all the design elements, shape is the one people notice first.
4. Vertical lines on clothing can help you look taller.
5. People who want to look thinner should wear bulky textures.
6. Bright colors are best for large pieces of clothing.
7. When an outfit does not relate well to your size, the problem is with emphasis.
8. Planning an outfit and accessories together can create harmony.
9. Clothing that is symmetrically balanced is more pleasing to the eye.
10. Before shopping for new clothing, you should look at what you already have.
11. Throw away any old clothing you do not want.
12. When selecting new clothing, wants are more important than needs.
13. Garments with loose weaves tend to lose their shape.
14. Garment labels will tell you how much care a garment requires.
15. You should choose mainly trendy clothes.
16. Accessorizing adds interest to an outfit and could help you save money.
17. Always choose items that are on sale.
18. Dry-clean-only garments can be more costly to maintain than washable clothing.

Going on Vacation

Imagine you are going on a trip. Choose three different destinations and time frames. Think of the clothing you would need for each. Do you have these items in your wardrobe? What additional items would you need to purchase for these trips? Write your ideas on separate paper.
