

# Chapter 36 - Fish & Shellfish

Use a graphic organizer like the one below to take notes about the three characteristics you should look for to judge the quality of fresh fish.

| <b>JUDGING THE QUALITY OF FRESH FISH</b> |              |              |
|--|--------------|--------------|
| <b>APPEARANCE</b>                        | <b>AROMA</b> | <b>TOUCH</b> |
|  |              |              |
