

Activity 26

Good Citizenship

Directions: Find an article in a local newspaper about how a person or group demonstrated good citizenship, perhaps by helping to solve a community problem or taking part in a fund-raising activity. Cut out the article and attach it in the space provided. Then answer the questions.

1. What did this person or group do to demonstrate good citizenship?

2. Did this person or group set any goals? If so, what are they?

3. Did the person or group do something that you would like to do? Explain your answer.

4. How could you do the same thing or start a similar project in your community?
