

# Activity 49

## What Can Children Do?

**Directions:** Babies and children achieve developmental tasks on a fairly predictable schedule. Test your knowledge of what to expect of infants and young children by matching each skill described below with the appropriate age group. Write an *I* in the space if the task should be expected of an infant. Write a *T* if the task is characteristic of a toddler, and a *P* if the task should be expected of a preschooler.

- \_\_\_\_\_ 1. undresses but needs help putting on clothes
- \_\_\_\_\_ 2. says single words such as “dada” or “hi”
- \_\_\_\_\_ 3. brushes teeth
- \_\_\_\_\_ 4. climbs stairs
- \_\_\_\_\_ 5. begins to crawl
- \_\_\_\_\_ 6. recognizes many colors
- \_\_\_\_\_ 7. begins cooperative play
- \_\_\_\_\_ 8. puts objects in mouth
- \_\_\_\_\_ 9. can sit up alone
- \_\_\_\_\_ 10. plays peek-a-boo
- \_\_\_\_\_ 11. walks
- \_\_\_\_\_ 12. speaks in sentences
- \_\_\_\_\_ 13. begins toilet learning
- \_\_\_\_\_ 14. rolls over
- \_\_\_\_\_ 15. rides a tricycle
- \_\_\_\_\_ 16. repeats rhymes and songs
- \_\_\_\_\_ 17. learns the meaning of “no”
- \_\_\_\_\_ 18. dresses self
