

Activity 69

Space in the Home

Directions: Answer the following questions.

1. What needs do homes satisfy?

2. Describe a way someone you know expresses individuality through his or her home.

3. Why are most homes divided into specialized areas?

4. Describe a room that would have more than one function.

5. Describe two ways to arrange a bedroom so that traffic patterns are smooth and unblocked.

6. Give one example each of respecting the privacy of others in the home and compromising with other family members.
