

Activity 74

A Room of Your Own

Directions: Designing a room of your own offers an opportunity to express your creativity in many different ways. Imagine that you have a room of your own, and permission to decorate it any way you want. Describe your room by answering the questions below.

1. What overall look would you want to achieve? (e.g., colorful, calm, tidy, busy)

2. What would be the main colors? _____

What other colors would you like to use? _____

3. What would you do with the ceiling? (e.g., paint it white, do something different)

4. Describe what you would do with the walls. (e.g., paint or paper; one color or different colors) _____

5. What kinds of things would you hang on the walls? _____

6. What would you put on the floors? (e.g., rugs, carpeting, bare wood) _____

7. Describe the window treatments. (e.g., blinds, drapes) _____

8. Describe the furnishings. _____

9. What accessories would you use to add visual interest? _____

10. What does the room you have described above tell others about you? _____
