

Design Your Look

Section 31.1 Fashion and Design Basics

Directions As you read, identify specific primary, secondary, and intermediate colors. Use this table to help you organize your information.

Primary Colors	Secondary Colors	Intermediate Colors

Section 31.2 Your Fashion Statement

Directions As you read, look for an explanation of the difference between clothes that you need and clothes that you want. Think of at least four examples of each. Use this T-chart to help you organize your information.

Clothes I Need	Clothes I Want
