

Chapter 5 Money Management Strategy

College and Career Readiness: Teamwork

Directions Pretend you own a company. Select the employees you want to hire for your dream team. You can hire anyone; the sky is the limit. List the names, a skill each person possesses that will help your company, and why you think the employee would be a good fit on your team.

Describe the products or services your company will produce.

List the characteristics of a successful team.

Name	Skill they bring to your company	Characteristic

Name _____ Date _____ Class _____
