

Chapter 4 Finances and Career Planning

Economics and You: A Nation's Resources

Directions List your natural abilities and careers they may relate to. For example, you enjoy English and sports, so you may be interested in being a sports writer.

Abilities	Related Careers

Directions Check the factor of production each item represents. Then answer the question.

Example	Land	Labor	Capital	Entrepreneurship
Company warehouse				
Construction worker				
Cranberry farm				
CEO of a major company				
Office building				
Restaurant owner				
Farm owner				
Atlantic Ocean off NJ coast				
Money invested in a new company				
Colorado mountains				

In what ways might a teenager's part-time job be important to the economy?
